Membership Eligibility & Governance

ORGANIZATIONAL MEMBERSHIP

Organizations seeking to affiliate with OUT agree to:

- Embrace and support equality for LGBT Floridians;
- Operate as autonomous organizations with their own local governance; however, informal grassroots organizations may affiliate with OUT through an individual liaison who assumes responsibility for the organization.

GOVERNANCE

OUT Board of Directors, facilitated by its chairs, governs OUT. The Board meets both formally and informally (via e-mail, teleconference, etc.), from time to time, as needed.

The Board will establish committees to assist in developing and implementing OUT initiatives, prepare and approve a budget, and make fiscal and governance decisions, as necessary.

The Board will set criteria for the selection of additional Board Directors and recruit a diverse pool of candidates. Governance rests solely with the Board of Directors.
